(Lanegan, Richards)

Won't break my heart  
I won't hope to die  
If before Lexington I could slow down  
They say a chariot's waiting when you get cut loose  
Let the place start swinging  
When it's me on the noose  
Mother do you think that your children cry  
Because they want to shake your chain?  
I walked miles today  
One for every year of my life  
In this stinking fucking rain  
Just to slow down  
So I could slow down  
So I could slow down  
Work for me luck  
Just one last time  
Spare me a chance  
I've wasted mine  
Shine on me light  
Don't you know I would  
Reach for you there  
If only I could  
If I could slow down  
If I could slow down  
If I could slow down  
Just slow down  
I don't mind being stoned  
They say Jesus was  
And I like being alone  
And I can take living low  
Forgive my being cruel if ever I was  
And say a word for me too  
When I'm under the gun  
It wouldn't break my heart  
If I could slow down  
Let the place start swinging  
If there's a chariot waiting  
It wouldn't break my heart  
If I could slow down  
Let the place start swinging

If there's a chariot waiting  
It wouldn't break my heart
