On a first time in love
Was electrocution
But I fell out on the down
Blind with injection

Strawberries wake or naked
Out here you're alone
These streets get very cold you should know
Yea and don't I know

Are we gonna be judged
Judged on these lonely deeds?
Are we gonna cry, yeah
Are we gonna freeze

Morning glory wine
Good people don't drink it
So I'm alone not thinkin', please
How you thrill me love?
How you kill me love? Mm
Like electrocution

Monday's all that's lost to love
Tuesday shakes and plead
Friday comes and calls you bluff
Sunday's on her knees

It's how you do me love
If you knew me love
But there ain't no one to turn to
'Cause it's hard when you're on your own
And you lost your way home

Morning glory wine
Good people don't drink it
So on my own not thinkin', please
It's how you knew me love, mm
It's how you do me love
Like electrocution
It's like electrocution
Oh yea

Morning glory wine
Good people don't drink it
Ah when you're on you're own
You lost your way home
There ain't nobody baby
Nobody to turn to

I need somebody
Somebody to turn to
And this somebody baby
Someone to turn to

Morning high
Morning glory wine
But there ain't nobody baby
I need someone to turn to
I need somebody
I wanna get high
I wanna get high
Need somebody to turn to
