(Lanegan)

As it begins so too it ends  
Crawls to a stop and starts again  
Those highlights you've forced to shine  
Show me my way through wilderness  
And someday far from here I'll send a kiss  
Out of nowhere  
At times you see a ghost down on the street  
Walks the hallway knocking door to door  
Where are you from night til 9am  
Only a dark skinned Jesus knows  
Why suddenly your room is turnin' cold  
Cold is nowhere  
And as it ends so it begins  
Crawls to a stop and starts again  
Those highlights you've made are mine  
Show me my way through wilderness  
To someone who's blind I'll send a kiss  
Out of nowhere
