Pay no mind to her
She only wants to play
But she's not for you
She's not for you
And I'm the only one
Who would let her act this way
But she's not for you
She's not for you
She told you she found heaven
In your eyes
Well I think it's only fair to warn you
That sometimes she lies
But it's your heart
I can't tell you what to do
She's not for you
She's not for you
She just looks for greener pastures
Now and then
And when she grows tired she knows
Old Faithful
Will just take her back again
Leave her here
I'm used to feeling blue
She's not for you
She's not for you
