The party is over now  
So draw the curtains down  
Your secret is safe to keep  
Unzip your velvet gown  
And let your hair hang loose  
Kick off your satine shoes  
Throw back the hided down  
Farewell to the friday's clown

Circus is leaving town  
Oh Ruby roll your stockings down  
Circus is leaving town  
Oh Ruby dry your eyes

Fixed up something to heap  
Still water still run deep  
The dogs are barking now  
The bag ar'out on the street

Circus is leaving town  
Oh Ruby roll your stockings down  
Circus is leaving town  
So Ruby dry your eyes

The party is over now  
Stop howling at the moon  
You need a different being  
You need a different tune  
Remember that old song  
We heard when we were young  
Life was an empty page  
The world would write upon  
Do you recall the mat of grass we sitted and watched  
the hours pass  
He was such a good girl  
Then no Ruby dry your eyes

Circus is leaving town  
No Ruby roll your stockings down  
Circus is leaving town  
So Ruby dry your eyes

You're searching when you walk  
You're searching when you talk  
You could make me believe  
That the sun sets in the east  
The sun sets in the east  
The sun sets in the east
