Tomorrow night
Will you remember what you said tonight
Tomorrow night
Will all the thrill be gone
Tomorrow night
Will it be just another memory
Or just another song
That's in my heart to linger on
Your lips are so tender,
Your heart is beating fast
And you willingly surrender
To me, but darling will it last
Tomorrow night
Will you be with me when the moon is bright
Tomorrow night
Will you say those lovely things you said tonight
Your lips are so tender,
Your heart is beating fast
And you willingly surrender to me, but darling will it last
