"Out Of Nowhere"

As it begins so too it ends
Crawls to a stop and starts again
Those highlights you've forced to shine
Show me my way through wilderness
And someday far from here I'll send a kiss
Out of nowhere

At times you see a ghost down on the street
Walks the hallway knocking door to door
Where are you from night till 9am
Only a dark skinned Jesus knows
Why suddenly your room is turnin' cold
Cold is nowhere

And as it ends so it begins
Crawls to a stop and starts again
Those highlights you've made are mine
Show me my way through wilderness
To someone who's blind I'll send a kiss
Out of nowhere
