With piranha teeth
I've been dreaming of you
And the taste of your love so sweet
Honest it's true

Through my heart flows sleep
And the dark heavy rain
Where the gravedigger's song is sung
You've been torturing me

Tout est noir, mon amour
Tout est blanc
Je t'aime, mon amour
Comme j'aime la pluie

Love, is a medicine good
Is the crow flying eight miles high?
Over wire and wood

Shovel down six feet
With a head heavy pain
The magnolia blooms so sweet
And it fades just the same

To the stars my love
To the sea
To the wheels my love
Till they roll all over me

Oh love, I been thnking of you
With razor white teeth so sharp
Honest it's true

In my blood flows sleep
And the dark heavy rain
The magnolia blooms so sweet
Only torturing me

To the stars my love
To the sea
To the wheels my love

Till they roll all over me
