Album: XOXO CANDY

I've spent so much time throwing messages,
but you didn't response me.
I've been waiting so long
And you've been so busy.
My heart begins to fall.
And there's nothing at all.
To my txtmate,
Every message of your txt
Runs to my thirsty veins.
Every reply, you make me smile.
the smiles you've done
It loads me hundred miles.
Every txt you've send.
You set me free easily.
Every quotes you've forward,
You always put me through.
My fella txtm8,
I'm longing to your txt.
Someday you'll come back, my txtm8.
