I'm runnin' late as usual.
The list is by the door.
I can't remember everything, that's what the list is for.
But there's more to life than bills I've gotta pay.
I wanna make the most of every day.

Chorus:

To live what I believe,
pray for those in need,
always give more than enough.
To gently walk in grace,
boldly stand in faith.
Most of all,
to share a father's love.
Lord there are so many ways for me to show a glimpse
of You on my list of things to do.

There's something extraordinary in this ordinary life
when I recognize eternal things are right before my
eyes. So I've taken time to write this little list, to remind
me of what I might miss.

Repeat chorus

So I'll write it down on paper. 'Til it's written on my
heart.

To live what I believe, pray for those in need, always
give more than enough. to gently walk in grace, boldly
stand in faith.
Most of all to share the Father's love.

Repeat chorus

Here on my list of things to do. This is my list of things
to do.
