Woke up this morning with the years I've spent  
Hanging heavy on my mind.  
At times I see  
So much in me  
I wish I'd left behind.  
But the one thing I've learned  
As the years have turned,  
And they sure have traveled fast.  
I don't have to stay where I am today because  
This too shall past.

### CHORUS

This too shall pass.  
This too shall pass.  
And the tears that fall like raindrops now  
Will finally dry at last.  
This too shall past.

Sometimes I'm laughing with a crowd of friends,  
And still I feel alone.  
There's a place inside  
Full of tears I hide  
That I've only cried alone.  
But I know that He's near,  
And I know He hears,  
And I know these tears won't last.  
This pain today  
Will be swept away because  
This too shall pass.
