A man in my shoes runs a light
and all the papers lied tonight
but falling over you
is the news of the day
Angels fall like rain
And love, love, love, is only heaven away

Inside you the times moves
and she don't fade
The ghost in you
She don't fade
Inside you the time moves
and she don't fade

A race is on
I'm on your side
And here in you
My engines die
I'm in a mood for you
Or running away
Stars come down in you
And love, love, love, is only heaven away

Inside you the times moves
and she don't fade
The ghost in you
She don't fade
Inside you the time moves
and she don't fade

Don't you go
it makes no sense
when all your talk
and supermen
just take away the time
and get in the way
Ain't it just like rain
And love, love, love, is only heaven away

Inside you the times moves
and she don't fade

The ghost in you
She don't fade
