A man in my shoes runs a light and all the papers lied
tonight
But falling over you is the news of the day
Angels fall like rain and love
(Love, love)
Is all of heaven away

Inside you the time moves
And she don't fade the ghost in you
She don't fade inside you
The time moves and she don't fade

A race is on, I'm on your side and here
In you my engines die I'm In a mood for
You or running away stars come down in you and love
(Love, love)
You can't give it away

Inside you the time moves
And she don't fade the ghost in you
She don't fade inside you
The time moves and she don't fade

Don't you go it makes no sense when
All your talk and supermen just
Take away the time and get in the way
Ain't it just like rain? And love
(Love, love)
Is only heaven away

Inside you the time moves
And she don't fade the ghost in you
She don't fade

Inside you the time moves
And she don't fade the ghost in you
She don't fade

Inside you the time moves
And she don't fade the ghost in you
She don't fade
