You...you're telling me always lies.
Baby, oh, can't you see?
You're foolin' me
Away from paradise.
You...oh...you, you're turning my inside out.
Baby, there's so much pain, again and again.
Doesn't make me brown.

Oh...oh, Sarah,
There's no way to say goodbye.
And it's too late for me to cry,
Every day and night.
Oh, Sarah,
Oh, this love is killing me.
And it's more than mystery,
What you are calling love.

When... when the wrong I love, you're right.
Oh, it's history, that you're lovin' me
And you were by my side.
I...oh..., I...I left the thousand lives in (?).
What takes the as I am
And understand it's... (?)

Oh...oh, Sarah,
There's no way to say goodbye.
And it's too late for me to cry,
Every day and night.
Oh, Sarah,
Oh, this love is killing me.
And it's more than mystery,
What you are calling love.
Yeah...

Yeah, Sarah...
And I need you, yeah...
Oh, Sarah, I need you, yeah, I need you.

Oh, Sarah, yeah...
There's no way to say goodbye.
And it's too late for me to cry,
Every day and night.

Yeah...
Oh, Sarah, yeah...
Oh, this love is killing me.
And it's more than mystery,
What you are calling love.
