Ohhhh yeahhh my baby ohhhh.. yeahÂ...

DonÂ't tell itÂ's over oh no no  
Only the strong survive  
DonÂ't tell me baby oh no no  
You will go out of my live

I can not breath I can not sleep  
If you will break my heart  
And I can not live I can not speak  
Baby donÂ't tear appart

Only a fool will leave this lonely woman, yes I know  
Only a fool wonÂ't take this angel home  
IÂ'll never give up  
IÂ'll never let go  
If you will break my heart  
And I promise you baby you know  
If you will try a start yeah my baby ohhhh

DonÂ't try to break me oh no no  
DonÂ't try to breaking my heart  
One step from heaven oh no no  
Oh please donÂ't tear it appart

I can not live And i will break  
Baby come back to me And i can not live  
And i will say You are my destiny

Only a fool will leave this lonely woman, oh yes for sure  
Only a fool wonÂ't take this angel home  
IÂ'll never give up  
IÂ'll never let go  
If you will break my heart  
And I promise you baby you know  
If you will try a start

Only a fool will leave this lonely woman, woman yeah  
Only a fool will leave this angel home  
IÂ'll never give up  
IÂ'll never let go  
If you will break my heart

And I promise you baby you know  
If you will try a start yeah..

Only a fool will leave this lonely woman,  
Only a fool will leave this angel home...
