It's not the way you smile in the morning
It's not the way you kiss me tonight
It's not the way you smile when you're yawning
It's not the way you holding me tight
Words can't express They cannot express
What you mean to me

You're unbelievable, irresistible
I can't believe my eyes
When I'm with you
You're unbelievable - You're just incredible
And I can't , can't breathe without you
can't breathe without you

It's not the way we spend nights together
It's not the way you looking at me
It's not the way you say : it's forever
Never all will be will be
Words can't express , They cannot express
What you mean to me

You're unbelievable ,irresistible
I can't believe my eyes
When I'm with you
You're unbelievable - You're just incredible
And I can't ... can't breathe without you
And I can't breathe without you

You're unbelievable ,irresistible
I can't believe my eyes
When I'm with you
You're unbelievable - You're just incredible
And I can't, can't breathe without you
can't breathe without you

And I can't can't breathe without you
