told you told you I wanna hold you if you go away.
Cause when the night is gone and I'm going home,
baby oh what can I say?
I told you told you I'm to old to play a silly game with
you.
Cause I'm a midnight talker and a morning walker,
baby oh what can I do? Baby oh what can I do?

You're a wonderful girl, you're a wonderful girl.
With that sunshine in your eyes you make my world.
You're a wonderful girl,you're a wonderful girl.
Everybody needs a little love to share.

I told you told you I will hold you if you need my love.
But I'm a casanova over and over,baby I can't get
enough.
Oh I told you told you I don't know you, it's good to
have you by my side.
But I'm a womanizer,I'm a midnight fighter,baby stay
with me tonight.

You're a wonderful girl, you're a wonderful girl.
With that sunshine in your eyes you make my world.
You're a wonderful girl,you're a wonderful girl.
Everybody needs a little love to share.

Oh don't you know you're wonderful,baby please,oooh I
don't wanna lose you now.

You're a wonderful girl, you're a wonderful girl.
With that sunshine in your eyes you make my world.
You're a wonderful girl,you're a wonderful girl.
Everybody needs a little love to share.
