feat. Crooked I

I'm the type of guy  
I'm the type of guy  
I'm the type of guy

I'm the type of guy

I'm the type of man who was born to win  
That's my way, that's my sin  
I'm the type of man they love to hate  
'Cause I'm so real and they're so fake  
I'm the type of man who gets knocked down  
Then gets back up, I'm so proud  
I'm the type of man who's here to stay  
Life my life my own way

I am what I am, I am what I am  
Yes, I am what I am  
I am what I am, I am what I am  
Yes, I am what I am

I'm the type of man who loves to fight  
Not when wrong, just when right  
I'm the type of man who has to pray  
Every night, every day  
I'm the type of man who needs to be  
All that I, I can be  
I'm the type of man who works to live  
Loves his wife and raise his kids

I am what I am, I am what I am  
Yes, I am what I am  
I am what I am, I am what I am  
Yes, I am what I am

I am what I am, I am what I am  
Yes, I am what I am  
I am what I am, I am what I am  
Yes, I am what I am

Sometimes the top is lonely  
Sometimes it seems that the top is only  
Reserved for those people who ain't really real  
That's why so many at the top are phony  
I don't need y'all, man, I got my homies  
I'm a cobster like the mobster Tony Soprano  
Doing what my mama told me  
Get that paper, the guap is on me  
Ride to die, I'm that type of guy  
Me and my haters, we don't see eye to eye  
Wanna know why? I tell you why  
They pissed that I'm the shit and they die from drop  
Baby, peep them metaphors  
Me and my dogs in the reservoir  
I'm Django, I'm unchained so  
I kill Bill with skill, that's forever more  
Am what I am, rapper, hustler, entrepreneur, I'm  
popping for sure  
Probably in the UK rocking a tour  
Opening up when opportunity knock on the door  
Come on in, I suck all in, one more again, I'm on rock at  
Galore  
Me and Mark More, watch when the DJ drop  
'Cause the chicks gonna hop on the floor  
That's 'cause the beat go stupid hard, VIP looking like a  
hooker bar  
Smoke everywhere, I came from nothing  
I am what I am, man, a superstar  
I am what I am, man, a superstar  
You can be, too, no matter who you are  
All you gotta do is believe in your dreams  
And we gonna keep riding like a movie car  
  
We gonna keep riding like a movie car  
We gonna keep riding like a movie car
