INTRO: Tommy, Chuckie, Phil and Lil and Suzie,

CHORUS:

Its a Rugrat, from under the mat,
Its a Rugrat, its a Rugrat Rap. (x2)

These are the kids that are bringing in the new style
Out of the crib with a bib, just to make you smile
Milk in the bottle of the Rugrats just in case,
They need to squirt that milk in your big face.
SPLISH! SPASH! BOOM! There is is, Gotcha!
Let the Rugrats outsmart ya,

The rats, the Rugrats, curious as a cat,
Crawling on the scene, coming clean, cause they're all
that
At home, in the cradle or the toy store
Looking for adventure cos they want more.

CHORUS

(spoken):

Yeah, we're gonna kick it one more time with Tommy,
Chuckie, Suzie, Phil and Lil and all the crew,
Cos a baby's gotta do what a baby's gotta do, you
know?

Little Tommy Pickles and the gang, don't mess around,
Get up, fall down, crawling in your town,
Don't look now but coming up behind you,
Hey! Its a Rugrat sneaking up to find you.

CHORUS

(spoken)

Yeah, the Rugrat Rap.
Yeah we're outta here boy!
Tommy, Chuckie, Phil and Lil and Suzie,
And Nickelodeon.
