Hey smiling strange,  
You're looking happily deranged,  
Can you sale the shim-ba?  
Or have you picked your dog out yet?

Hey Sandy! (I, Y-le, Y-le, Y-le)  
Does your dog bite? (I, Y-le, Y-le, Y-le)  
Hey Sandy?

Barking away,  
End of species is the end of the day.  
We was only funning.  
But guilty, I thought she had it coming.

Hey Sandy! (I, Y-le, Y-le, Y-le)  
Does your dog bite? (I, Y-le, Y-le, Y-le)  
Hey Sandy?

(Calypso guitar)

(Jamming gutiar)

(I, Y-le, Y-le, Y-le) Hey Sandy!  
Does your dog bite? (I, Y-le, Y-le, Y-le)  
Hey Sandy?

(I, Y-le, Y-le, Y-le) Hey Sandy!  
Does your dog bite? (I, Y-le, Y-le, Y-le)  
Hey Sandy? Hey!

(Calypso guitar)
