there's a little baby  
sitting down on her daddy's knee  
in a worn out cotton dress

there's a little baby  
sitting down on her daddy's knee  
in a worn out cotton dress

dreams laid on the table  
found his love they heard in fable  
all the good work mamma's done

there's a little drinking  
Sunday cousin Will comes stumbling home  
see him in his coat and tie

there's a little drinking  
Sunday cousin Will comes stumbling home  
see him in his coat and tie

dreams laid on the table  
found his love uttered in fable  
all the good work mamma's done

there's a little baby  
sitting down on her daddy's knee  
in a worn out cotton dress

there's a little baby  
sitting down on her daddy's knee  
in a worn out cotton dress
