There's such joy and sweet moments
To be found in this world
We know they'll come to an end
Just how makes our hearts hurt
Salvation blues and these blues will help us all

[Incomprehensible]
'Til we do something good
In the morning, the things we once did
Overboard, false friends ignored

All these long ends and the gifts we had to give
How did we live? Tuesday is trash day
Leave the clothes outside the door
Salvation blues and these blues will help us all

There's all kinds of death tricks
Roamin' in these hills
There's all kinds of medicine
That will make you ill
Salvation blues and these blues will help us all
[Incomprehensible]
'Til we do something good
In the morning, the things we once did
Overboard, false friends ignored

All these long ends and the gifts we had to give
How did we live? Tuesday is trash day
Leave the clothes outside the door
Salvation blues and these blues will help us all

There's such joy and sweet moments
To be found in this world
There's such joy and sweet moments
To be found in this world

Such joy in sweet moments
To be found in this world
There's such joy and sweet moments
To be found in this world
