I remember our winter song  
Slipping on a frozen lake  
There I'll miss you when you're gone  
Oh, this winter song  
Another cup of Brunel wine

Dreams that once seemed so sweet  
Are silent empty streets  
Streets of tears stained walks go by  
And I'll miss you when you're near  
You're thoughts are just like the stars

Saturdays, hope is raised  
By endless stories of desire

And I remember our winter song  
Another cup of Brunel wine

Saturdays, hope is raised  
By endless stories of desire  
And I remember our winter song  
Another cup of Brunel wine

I remember our winter song  
Slipping on a frozen lake  
There I'll miss you when you're gone  
Oh, this winter song  
Another cup of Brunel wine
