Chorus:

Four minutes left to go, is this the end? Then  
Message on your stereo, four minute warning.  
Everybody wants to know what should we do?  
The official story is a four minute warning.

Verse 1:

Sasha stands in his yellow cafe,  
"Yes the heart of the city is here, so he tells me".  
Sitting on his red leather sofa, he's rolling another,  
"Man, I'll see you, when I see ya"  
Polly is said to be the next big thing,  
In her high heel boots and her two inch earrings.  
Heart of glass, Blondie sings in her ear,  
"You're a rock queen, honey, and we all hear you!"

Chorus:

Three minutes left to go, is this the end, then?  
Message on your stereo, four minute warning.  
Everybody wants to know what should we do?  
The official story is a four minute warning.

Verse 2:

Lucy had a hard time with love,  
But love recently chose the right time for Lucy.  
"Loving when you know it's the final time,"  
She now holds time in her own mind.

Yeah, Jimmy's is a local for Michael,  
A Guinness in one hand in the other a fable, able.  
I once asked, "are you a lonely man?"  
His reply was non-committal, "I am what I am, man".

Chorus:

Two minutes left to go, is this the end, then?  
Message on your stereo, four minute warning.  
Everybody wants to know what should we do?  
The official story is a four minute warning.

Cry, laugh, feel love, peace, panic,  
These are your four minutes.  
(I'm counting you down, four minutes of sound,

It's always a rush when your around)

The final story is one of me,  
Who with four minutes left, has used up three.  
I think of you, I think of me,  
Then I think of nothing, it's the end you see. Yeah!

Chorus:

One minute left to go, is this the end, then?  
Message on your stereo, four minute warning.  
Everybody wants to know what should we do?  
The official story is a four minute warning

What would you do, Yeah

With a four minute warning, a four minute warning.  
I'm fading away, I'm fading away, if anybody wants to  
know  
I'm fading away, I'm fading away, There's only  
seconds left to go.
