I listened to your album  
And I watched your favourite film,  
Hey hey hey,  
I missed you today,  
I read those early letters  
That were filled with early dreams,  
Some of them materialised,  
Others never seen,  
We used to watch the world walking by  
The truth is you're not here,  
Here I am, I'm screwed up again,  
No matter what, which way I turn,  
How am I feeling, slowly bleeding here for you,  
And spending time with hope  
And I don't know why it is,  
It's just the way it is  
What am I to say,  
What am I to do,  
What am I, alone without you  
What am I to say,  
What am I to do,  
What am I, alone without you  
I made your favourite dinner,  
And I wore the shirts you loved,  
Hey hey hey,  
Just in case you came  
Friends still ask about you,  
And I say that you're just fine,  
And have you seen the world walking by?  
The truth is you're not here,  
Here I am, I'm screwed up again,

No matter what, which way I turn,  
How am I feeling, slowly bleeding here for you,  
And spending time with hope  
And I don't know why it is,  
It's just the way it is  
What am I to say,  
What am I to do,  
What am I, alone without you  
What am I to say,  
What am I to do,

What am I, alone without you  
The truth is you're not here,  
And I'm screwed up again,  
And I don't know the reason why,  
I don't know why it is  
And did I ever say,  
That I just need your love,  
And I want you back again,  
I want you back again  
You said that this isn't yet our time,  
So give me time,  
To get you back again  
What am I to say,  
What am I to do,  
What am I, alone without you  
What am I to say,  
What am I to do,  
What am I, alone without you  
Its for you that I fall out of bed in the morning,  
Still checking the mail as I'm leaving,  
I sit in the car without driving
