Standing at the stage,
With an open mic trying to catch the light,
The air I breathe,
The silence,
The voices laught tonight,
I fail to say what I think of you,
Maybe it could be this time,

You dont really know what you mean to me,
What I feel is what I cannot say,
Communicate,
Communicate,
Cause I am to you now in my own way,
Im not going to stop this time,
I just hope you realize today,

I love you,
I need you,
As if my life depended on you,
I love you,
I need you,
As if my life depended on you,
This is the greatest love song,
This is my babys lullaby,

You were very with me on the storyline,
Seeing here an seeing better times,
Tell me do you hear me,
Can you tell me why,
I just cant control myself,
I cant believe its happening again,

I love you,
I need you,
As if my life depended on you,
I love you,
I need you,
As if my life depened on you,
This is the greatest love song,
This is my babys lullaby,

I love you,
I need you,
As if my life depended on you,
I love you,
I need you,
As if my life depended on you,
This is the greatest love song,
This is my babys lullaby,

The crow that crawl back into my show,
I just have to say it one more time,

I love you,
I need you,
As if my life depended on you,
I love you,
I need you,
As if my life depended on you,

I love you,
I need you,
As if my life depended on you,
I love you,
I need you,
As if my life depended on you,
This is the greatest love song,
This is my babys lullaby,

I love you,
I need you,
As if my life depended on you,
I love you,
I need you,
As if my life depended on you,
This is the greatest love song,
This is my babys lullaby,

I love you,
I need you,
As if my life depended on you,
I love you,
I need you,
As if my life depended on you,
This is the greatest love song,
This is my babys lullaby,

I love you,
I love you,
I love you,
I love you,

I love you,
I need you,
As if my life depended on you,
This is the greatest love song,
This is my baby's lullaby,
My baby's lullaby,

This is the greatest love song,
This is my baby's lullaby,
Lullaby,
My baby's lullaby,
Lullaby,
You don't really know what you mean to me.
