Early morning juices blend he chooses
Bowl of seed and water cleanses
Coffeine free with herbs for tea
Clear and fresh he won't be tempted
High on C he's staring at me
We make us seem far apart
Dead for a while, resurrects with a smile
Pulls my conscience inside apart

Green Man
I'll take a leaf from your book
Found a new love
I say peace man
Green Man
I'll take a leaf from your book
Found a new love
I say peace man

Second sight no sense of fight
He lives his life for the moment
He stands like a god an enlighte'ned god
Ruby centres his crown
Man of Wealth loaded with health
Alien with a mother's heart
Magic man with your save Earth plan

Thanks for giving me my part

Green Man I'll take a leaf from your book
Found a new love
I say peace man
Green Man
I'll take leaf from your book
Found a new love
I say peace man

Our body is a prÃ©cious thing
Treat it with care
Treat it with bare
As a snake sheds its skin
You've got to shed your past
Over and over

Again the more that you give
The more you'll receive
So give your love for free
Don't live for the past or the future
Live now
