I'm in trouble
And there's no denying
I've been seeing double
And I'm no good at lying.

I knew I should've left you alone
You knew I had a lover back home
You knew it.

You got me running
Sneakin' down the backstreets
Hey you got me hiding
And I see you got a mean streak

Now the news is out all over town
And my world is turnin' over turnin' upside down
You got what you wanted
I'm still bein' haunted
I should've known

CHORUSE:
You're such a bad girl...
She might treat you bad, but your love is so good
You're such a bad, bad girl
Why don't you leave me alone

You got me locked up to a ball and chain
Like tryin' to run away from a hurricane..yeah

(Instrumental Break)

You're such a bad girl...
She might treat you bad, but you know she loves you
good
You're such a bad, bad girl
Why don't you leave me alone

You're such a bad girl...
The worst is better than your best now baby
You're such a bad, bad girl
Why don't you leave me alone

You're such a bad girl...
You know you treat me so, you treat me so bad

You're such a bad, bad girl
You know you treat me so, you treat me so bad
Why don't you leave me alone

You're such a bad girl...
You know you treat me so, you treat me so bad

You're such a bad, bad girl
You know you treat me so, you treat me so bad
Why don't you leave me alone

You're such a bad girl...
You know you treat me so, you treat me so badtrsa
