Cadillac Baby

How that woman loves to ride

Yeah, Cadillac Baby

How that woman loves to ride

She's crazy 'bout that hydromatic

Cause its such an easy ride

She loves her rollin, how she loves to ball the jack

Crazy bout her rollin, how she loves to ball the jack

She's crazy about that easy ridin, crazy bout that

Cadillac

Turn on the radio and cruise on down

the avenue

Yeah, turn on the radio and cruise on

down the avenue

She's crazy about my caddy

and I 'm crazy for my baby too

Sax

Well, long about midnight she came

knockin on my door

Yeah, long about midnight she came

knockin' on my door

Gotta take out that caddy

Baby wants to ride some more

Yeah at night we went riding

Riding in the rain

She was my baby

And I was her man

She said honey ride a long long time

You rock so easy, so mellow and fine

If you get tired of ridin, give yourself a rest

Park it in the spot that your baby loves the best

Cadillac baby

How that woman loves to ride

yeah cadillac baby

How that woman loves to ride

Crazy bout that easy ridin'

How she loves that cadillac

Go
Trumpet
Let it Roll

Guitar

I gotta Roll
All night long
Gotta Roll
All night long
Yes we gotta roll pretty darlin'
Roll all night long
