Night, is the time for the hunger
Through these rooms, you and I, we wander
Too much, too long, holding back the tears
I wait, do hard labor and I count the years

Hey, soon the angels will unlock the sun
Break away these chains, yeah, and turn away the gun

Nothing is better than the freedom
Yeah, nothing is better, yeah, than the freedom

Let the law take a man from his family
See the evil on the fences down the highway
Too bad, so sad to be on the lam
(Too bad, so sad)
From my home I must crawl on my knees and hands

Hey hey, and soon the angels will unlock the sun
(Soon the angels will unlock the sun, hey hey)
Break away these chains, yeah, and turn away the gun

Yeah, nothing is better than the freedom
(Nothing is better, nothing's better than the freedom,
oh yeah)

Yeah, nothing is better than the freedom
(Oh, nothing, nothing's better)
Yeah, nothing is better than the freedom
(Nothing, nothing's better, nothing's better than the
freedom, oh yeah)
Yeah, nothing is better than the freedom
(Nothing, nothing's better)

Nothing is better than the freedom
(Nothing's better than the freedom)
Nothing is better than the freedom
Yeah, nothing is better than the freedom
(Nothing, nothing's better, nothing's better than the
freedom)
Nothing is better, yeah, than the freedom, yeah
(Nothing, nothing's better, freedom)

(Is better, is better than the freedom)
Ooh baby, nothing, nothing is better
(Nothing, nothing is better)
(Ain't nothing, ain't nothing, nothing, nothing, nothing,
nothing)
Nothing's better, yeah hey
(Nothing, nothing is better, nothing is better)
