Jumpin From Six to Six Lyrics

Colin James

My baby went out and stayed out all night long  
Well, my baby went out and stayed out all night long  
She told me a lie, she couldn't find her way back home  
'Cause she was jumpin' from six to six  
Jumpin' from six to six  
Jumpin' from six to six  
Jumpin' from six to six  
Jumpin' from six to six  
She got herself in a heck of a fix

Now, she called me up, about five twenty-five  
Said, pick me up daddy, I don't want no jive  
Ten minutes later, her boyfriend calls  
And says, come on baby, let's have a ball  
Jumpin' from six to six  
Jumpin' from six to six  
Jumpin' from six to six  
Jumpin' from six to six  
Jumpin' from six to six  
She got herself in a heck of a fix

She comes staggerin' in the door about a quarter to  
one  
Asks me, daddy did I do wrong?  
Stepped aside and draw'red back  
She did all right, dirt in y'r eyes!  
Jumpin' from six to six  
Jumpin' from six to six  
Jumpin' from six to six  
Jumpin' from six to six  
Jumpin' from six to six  
She got herself in a heck of a fix  
Got herself a fix!
