You're sittin' there yackin'  
Right in my face  
I guess I'm goin' to have to  
Put you in your place

If silence was golden  
You couldn't raise a dime  
Because your mind is on vacation  
And you mouth is workin' overtime

You're quotin' figures  
And dropin' names  
You're tellin' stories  
About the days

You're over laughin'  
When things ain't funny  
You're tryin' to sound like  
The big, big money

If talk was criminal  
You'd lead a life of crime  
Because your mind is on vacation  
And your mouth is workin' overtime

Your life is short  
And talk is cheap  
Don't be makin' promises  
That you can't keep  
Don't like my song

Just grin and bear  
All I can say is, if the shoe fits  
Won't you wear it?  
And if you must keep talkin'  
Please try to make it a rhyme

Because your mind is on vacation  
And your mouth is workin' overtime

Your mind is on vacation  
Yeah, your mind is on vacation

I said your mind is on vacation  
Well, your mind is on vacation

Because your mind is on vacation  
And your mouth is workin' overtime
