When I got home
I knocked on the door
I heard a strange voice that I never heard
before

Something's Goin' on in my room,
Something's Goin' on in my room,
The way the house is shakin',,,I better find out soon.

I looked in the window
Couldn't see a thing
Only thing I heard was the telephone ring
Something's Goin' on in my room,
Something's Goin' on in my room,
The way the house is rockin' I better find
out soon.

Well
You can rock it like a rowboat, shake it like a raging sea
Rock it like a rowboat, shake it like a raging sea
Well when I get in you better have
somethin' for me

SAX SOLO

TROMBONE SOLO
Well I don't know baby
I'm gonna' break in
I heard somebody scream, it was morbid from begin
Something's Goin' on in my room,
Something's Goin' on in my room,
The way the house is shakin',,,I better find out soon.

Well I broke down the door
I stepped in the room
I saw my old lady drunk and dancin' with a broom
That's what's goin on in my room,
That's what's goin on in my room,
Well my baby got high
rocked like a big
cyclone.

Well

You can rock it like a rowboat, shake it like a raging sea
Rock it like a rowboat, shake it like a raging sea
Well when I get in a boat, you better have
somethin' for me
