Why did you mention,
I just want attention,
Something you just can't help but do

Instead of you helpin',
You're lookin' for sympathy,
So hold that thought and keep it under lock,
I'll be happy to talk when you know what you wanna do

Stop movin' around,
Don't stand in the way,
Stop bringin' it down on a perfect day,
Without thinkin' at all,
You play the perfect game,
Stop bringin' it down on a perfect day

I'm on a tear,
And you're stuck to the chair,
And you 'aint comin' out of your room,
You don't seem right,
When you turn on the light,
Cause now you see more easily,
The things that might come back on you

Stop movin' around,
Don't stand in the way,
Stop bringin' it down on a perfect day,
Without thinkin' at all,
You play the perfect game,
(Play the perfect game)
Stop bringin' it down on a perfect day

Stop movin' around,
Don't stand in the way,
(Stand in the way)
Stop brinin' it down on a perfect day,
Without thinkin' at all
You play the perfect game,
Stop bringin' it down on a perfect day,
Stop movin' around,
Don't stand in the way,
Stop bringin' it down on a perfect day,

Without thinkin' at all,
You play the perfect game,
(Such a good, good game)
Stop bringin' it down on a perfect day

Stop bringin' it down on a perfect day,
Stop bringin' it down on a perfect day
