I'm reachin' up, I'm tryin' to undo  
This distance I've made and I'm not givin' up  
In spite of sin intrinsic in my soul

I need You, I know  
Lord, I'm learning what it means to let go

All I can do is surrender  
Give You everything, all that I am  
And all I can do is surrender  
Give You everything  
Lord, for all that I am is in You

I'm reachin' in, I'm tryin' to pursue  
A faithful heart, this world we live in  
It's sometimes hard to guard my mind, my soul

I need You, I know  
Lord, I'm learning what it means to let go

All I can do is surrender  
Give You everything, all that I am  
And all I can do is surrender  
Give You everything  
Lord, for all that I am is in You

To Your will alone, Lord, I surrender  
To Your will alone, Lord, I surrender

I'm reachin' out, I'm learnin' how  
To proudly claim You alone, to those cryin' out  
And in spite of all my faults, You use me, Lord

They need You, I know  
Help me teach them what it means to let go  
Oh, Lord

All I can do is surrender  
Give You everything, all that I am  
And all I can do is surrender  
Give You everything  
Lord, for all that I am is in You

Surrender  
Give You everything, all that I am  
And all I can do is surrender  
Give You everything  
Lord, for all that I am is in You
