I'm overwhelmingly finding myself
Addicted to Your holy presence
I must have underestimated
The healing power of love

Initially I must admit I wasn't willing
To transcend my senses
But now I'm overcoming obstacles
And bathing in Your love

I love You Lord, I need You Lord
And I know that now thanks to You
And I don't deserve the love You serve me
So Lord I now give thanks to You, yeah

I'm overwhelmingly finding myself
Wanting to be filled with Your Spirit
I must have underestimated
The healing power of grace

While unaware I guess my heart
Must have uttered a prayer and You could hear it
'Cause while I know I'm undeserving
I'm overflowing with grace

I love You Lord and I need You Lord
And I know that now thanks to You
And I don't deserve the love You serve me
So Lord I now give thanks to You, yeah

I'm overwhelmingly convinced
That everything I do should give You glory
I must have underestimated
The healing power of faith

I've reveled in the unimportant
Power, fame and fortune same old story
And now I'm dwelling on the place
That You've prepared for those with faith

'Cause I love You Lord and I need You Lord
And I know that now thanks to You

And I don't deserve the love You serve me
So Lord I now give thanks to You

I love You Lord, I need You Lord
And I know that now thanks to You
And I don't deserve the love You serve me
So Lord I now give thanks to You
So Lord I now give all my thanks to You
