Oh Lord help me to keep my eyes on You
Oh Lord help me to keep my eyes on You
'Cause I can't walk the path You've chosen on my own
Oh Lord help me to keep my eyes on You

'Cause I want to live like You lived
Love like You loved, fill me with Your grace
I want to know Your glory, Lord show me the way
Help me take these steps of faith

Oh Lord help me to keep my mind on You
Oh Lord help me to keep my mind on You
'Cause I can't use the gifts you've given on my own
Oh Lord help me to keep my mind on You

'Cause I want to live like You lived
Love like You loved, fill me with Your grace
I want to know Your glory, Lord show me the way
Help me take these steps of faith

Oh Lord help me to live my life in You
Oh Lord help me to live my life in You
'Cause I can't share the words You've spoken on my
own
Oh Lord help me to live my life in You

'Cause I want to live like You lived
Love like You loved, fill me with Your grace
I want to know Your glory, Lord show me the way

'Cause I want to live like You lived
Love like You loved, fill me with Your grace
I want to know Your glory, Lord show me the way
Help me take these steps of faith

Help me live, help me love
Help me take these steps of faith
Help me live, help me love
Help me take these steps of faith
