Baby, can't you see I'm callin' you?  
A girl like you should wear a warnin'  
It's dangerous, I'm fallin' in love

Ooh, nigga, I'm burnin' up

There's no escape, I can't wait  
I need a hit, baby, give me it  
You're dangerous, I'm lovin' it

Enough to make a nigga go crazy  
Shut down the Grammy's, ask my granny  
Wu-Tang for the kids, but your host can't stand me  
Wu-Tang for the kids, bust them off for family

Catch me on Disney, ma, who is he?  
Down Dirty, stinky, grime and grizzly  
Old man McGirt lookin' under your skirt  
Fucked the pussy till it's orange like Ernie and Bert  
Like, ooh

Too high, can't come down  
It's in my head, spinning 'round and 'round  
Can you feel me now?

With a taste of your lips, I'm on a ride  
You're toxic, I'm slipping under  
A taste of a poison paradise  
I'm addicted to you, don't you know that you're toxic?

And I love what you do  
Don't you know that you're toxic?  
Yeah, I'm burnin' up from what you do  
You know that you're toxic

Like, ooh, nigga, I'm burnin' up  
She said, ooh, nigga, I'm burnin' up

Meth got the weed, we can burn it up  
I told the DJ, nigga, turn it up  
I want a girl that help me take my medication  
Or I don't end up at the police station

I don't wanna go back to the police station  
They tried to send Dirt on a long vacation

Oh, it's getting late to give you up  
I took a sip from my devil cup  
Slowly it's taking over me

Too high, can't come down  
It's in the air and it's all around  
Can you feel me now?

With a taste of your lips, I'm on a ride  
You're toxic, I'm slipping under  
A taste of a poison paradise  
I'm addicted to you, don't you know that you're toxic?

Ooh, nigga, I'm burnin' up  
She said, ooh, nigga, I'm burnin' up

With a taste of your lips, I'm on a ride  
And you're toxic and I'm slipping under  
A taste of a poison paradise  
I'm addicted to you, don't you know that you're toxic?

Oh, I love what you do  
That you know that you're toxic  
Yeah, I'm burnin' up from what you do  
That you know that you're toxic
