I like to wait to see how things turn out  
If you apply some pressure  
I like to wait to see how things turn out  
If you apply some pressure

You know that I would love to see you next year  
I hope that I am still alive next year  
You magnify the way I think about myself  
Before you came I rarely thought about myself

Behind your veil I found a body underneath  
Inside your head were things I never thought about  
You know that I would love to see you next year  
I hope that I am still alive next year

What's my view, well, how am I supposed to know?  
Write a review, well, how objective can I be?  
What's my view, well, how am I supposed to know?  
Write a review, well, how objective can I be?

I like to wait to see how things turn out  
If you apply some pressure  
I like to wait to see how things turn out  
If you apply some pressure

What happens when you lose everything?  
You start all over again

I like to wait to see how things turn out  
If you apply some pressure  
I like to wait to see how things turn out  
If you apply some pressure

What happens when you lose everything?  
You just start again, you start all over again  
What happens when you lose everything?  
You just start again, you start all over again

Everything  
You start all over again  
Everything  
You start all over again

What happens when you lose some pressure?  
Apply some pressure, you lose some pressure  
Apply some pressure, you lose some pressure  
Apply some pressure, you lose some pressure

What happens when you lose some pressure?  
Apply some pressure, you lose some pressure  
Apply some pressure, you lose some pressure  
Apply some pressure, you lose some pressure

You know that I would love to see you next year  
I hope that I am still alive next year  
You know that I would love to see you in that dress  
I hope that I will live to see you undress
