Oh, I would walk 1,000 miles,
1000 miles, it's true,
Oh, I would walk 1,000 miles,
Just to be with You.

[Chorus]
'Cause You've got my heart
And You've got my soul,
Now You've got this promise, too.
Oh, I would walk 1,000 miles
Just to be with You.

And if I write 10,000 songs,
10,000 songs, it's true,
And if I write 10,000 songs,
I'll sing them all for You.

[Chorus]
'Cause You've got my heart
And You've got my soul,

Now You've got this promise, too.
If I could write 10,000 songs,
I'd sing them all for You.

And if I live 100 years
Before my life is through,
And if I live 100 years,
I'll spend them loving You.

[Chorus]
'Cause You've got my heart
And You've got my soul,
Now You've got this promise, too.
If I could live 100 years,
I'll spend them loving You.

If I could live 100 years,
I'll spend them loving You.
