Lord, I came to the mountaintop
To be with You
I felt Your grace falling down like rain
And I was made new

But there are times like now
When I'm all dried out

And it's like 40 days out in the desert
Feeling like I'm lost forever
And crying out for You

But in these 40 days, I'm going to seek You
With my heart 'cause I believe You
Have brought me to this place
These 40 days, these 40 days

Lord, Your ways are not my own
But I trust You
And Lord, You say, "You are not alone
For I am with you"

But there are times like now
When You can't be found

And it's like 40 days out in the desert
Feeling like I'm lost forever
And crying out for You

But in these 40 days, I've come to seek You
With my heart 'cause I believe You
That brought me to this place
These 40 days, these 40 days

'Cause You are with me, You never leave me
Even when my world turns upside down
And there are times like now
When I will trust somehow

Everyday is 40 days out in the desert
Feeling like I'm lost forever
And crying out for You

But in these 40 days, I'm gonna seek You
With my heart 'cause I believe You
Have brought me to this place
These 40 days, these 40 days

Well, there's a light at the end of the tunnel, I know
40 days
There's a light at the end of the tunnel, I know

There's a light at the end of the tunnel, I know
40 days
'Cause there's a light at the end of the tunnel, I know

40 days
There's a light at the end of the tunnel, I know
(40 days)
There's a light at the end of the tunnel, I know
(40 days)
