God of Life, the Lord of all
Hear my prayer, oh, hear my call
Take this life, take it all
And let it burn, let it show

Yeah, let this life down here on earth
Echo in return

I believe in You, I believe in You
God of life, I believe in You

God of life, oh, Lord of truth
Oh, let me live to worship You
So all may hear and all may know
That You are God, the God of hope

Yeah, let this life down here on earth
Echo in return

I believe in You, I believe in You
God of life, I believe

With my heart and with my soul
I will worship You alone

God of Life, oh Lord of all
Hear my prayer, oh, hear my call

I believe in You, I believe in You
God of life, I believe

Let this life show, let it echo
I believe in You
Let this life show, let it echo
I believe in You

I believe in You, I believe in You
I believe in You, I believe
I believe in You, I believe in You
I believe in You, I believe
