Father, let the world just fade away.
Let me feel your presence in this place.
Lord, Iâ€™ve never been so weary,
How I need to know youâ€™re near me.
Father, let the world just fade away.

Till Iâ€™m on my knees,
Till my heart can sing,

He is
He was
He always will be

Even when it feels like there
is no one holding me
Be still, my soul
He is

Father, let your Holy Spirit sing.
Let it calm the storm inside of me.
As I stand amazed,
lift my hands and say,

He is
He was
He always will be

He lives
He loves
Heâ€™s always with me

Even when it feels like there
is no one holding me
Be still, my soul

Through every fear,
and every doubt,
and every tear I shed
Down every road,
Iâ€™m not alone
No matter where I am

He is
He was
And He always will be

He lives
He loves
He's always with me

Even when it feels like there
is no one holding me
Be still, my soul
Be still, and know,
Be still, my soul
He is
