The wind blows hard against this mountainside
Across the sea into my soul
It reaches in to where I cannot hide
Setting my feet upon the road

My heart is old it holds my memories
This heart it burns a gem like flame
Somewhere between the soul and soft machine
Is where I find myself again

Kyrie Eleison down the road that I must travel
Kyrie Eleison through the darkness of the night
Kyrie Eleison where I go and will you follow
Kyrie Eleison on a highway in the light

When I was young I dreamed of growing old
Of what my life would mean to me
Would I have traveled down my chosen road
Or only wish that I could be

Kyrie Eleison down the road that I must travel
Kyrie Eleison through the darkness of the night
Kyrie Eleison where I go and will you follow
Kyrie Eleison on a highway in the light

Kyrie Eleison down the road that I must travel
Kyrie Eleison through the darkness of the night
Kyrie Eleison where I go and will you follow
Kyrie Eleison on a highway in the light

Kyrie Eleison down the road that I must travel
Kyrie Eleison through the darkness of the night
Kyrie Eleison where I go and will you follow
Kyrie Eleison on a highway in the light

Kyrie Eleison down the road that I must travel
Kyrie Eleison through the darkness of the night
Kyrie Eleison where I go and will you follow
