The wind blows hard against this mountainside,  
Across the sea into my soul.  
It reaches in to where I cannot hide,  
Setting my feet upon the road.  
My heart is old, it holds my memories.  
My body burns a gem-like flame.  
Somewhere between the soul and soft machine,  
Is where I find myself again.

Kyrie Elison down the road that I must travel.  
Kyrie Elison through the darkness of the night.  
Kyrie Elison where I go will you follow?  
Kyrie Elison on a highway in the light.

When I was young I dreamed of growing old,  
What my life would mean to me.  
Would I have traveled down my chosen road,  
Or only wish that I could be.

Kyrie Elison down the road that I must travel.  
Kyrie Elison through the darkness of the night.  
Kyrie Elison where I go will you follow?  
Kyrie Elison on a highway in the light.

Kyrie Elison down the road that I must travel.  
Kyrie Elison through the darkness of the night.  
Kyrie Elison where I go will you follow?  
Kyrie Elison on a highway in the light.  
Kyrie Elison down the road that I must travel.  
Kyrie Elison through the darkness of the night.  
Kyrie Elison where I go will you follow?  
Kyrie Elison on a highway in the light.
