Yeah yeah  
I had a six pack of beer in the bushes  
The weekend I turned 18  
I snuck out the back while my mom and dad  
Watched Johnny Carson on TV

Well I picked her up at the end of the road  
A red bandanna in her hair  
I turned the radio up in that old Datsun truck  
And drove off to God knows where

'Cause those were the days of thunder  
And that was a magic summer  
Young, dumb, and full of wonder  
Thinkin' it would last forever

Love struck like a bolt of lightning  
So strong and so exciting  
Rainy nights I still remember  
Those days of thunder

Over 90 miles an hour down a two lane road  
With just one hand on the wheel  
The other one wrapped around her body  
And I found out how freedom feels

'Cause those were the days of thunder  
And that was a magic summer  
Young, dumb, and full of wonder  
Thinkin' it would last forever

Love struck like a bolt of lightning  
So strong and so exciting  
Rainy nights I still remember  
Those days of thunder

We were movin' so fast  
Left foot on the gas  
And we never looked back

'Cause those were the days of thunder  
And that was a magic summer

Young, dumb, and full of wonder  
Thinkin' it would last forever

Love struck like a bolt of lightning  
So strong and so exciting  
Rainy nights I still remember  
Those days of thunder  
Those days of thunder
