I'm gonna make you a promise  
Starting tonight  
If I never do anything else  
For the rest of my life

I'm gonna hold somebody  
I'm gonna look in someone's eyes  
'Til I'm so overcome that I cry  
I'm gonna love somebody  
More then anybody  
Baby there's so much I wanna do  
But I'm not gonna do anything without you

There's no way I'll ever give up  
There's no way I'll lose  
If I have to sacrifice everything  
Then that's what I'll do

I'm gonna hold somebody  
I'm gonna look in someone's eyes  
'Til I'm so overcome that I cry  
I'm gonna love somebody  
More then anybody  
Baby there's so much I wanna do  
But I'm not gonna do anything without you

This dream I live and breathe  
All I think about  
This is the fire that burns in me  
That will never go out

I'm gonna hold somebody  
I'm gonna look in someone's eyes  
'Til I'm so overcome that I cry  
I'm gonna love somebody  
More then anybody  
Baby there's so much I wanna do  
But I'm not gonna do anything without you

Baby, there's so much I wanna do  
But I'm not gonna do anything without you

I'm not gonna do anything without you  
Anything without you
