Mark Wills & Lee Ann Womack
Album: Tom Sawyer

How can I make you believe
How happy I am when you're with me
I cross my heart, I'm telling the truth
A promise is a promise, so I promise you.

I'll never let go of your hand
I'll always be faithful, I know I can
I never stop caring, I'll always be true
I'll forever love you.

You make all my fears disappear
I'm braver than I could imagine
You give me courage when all hope is gone
When I'm feeling lost, your love keeps me strong.

I'll never let go of your hand
I'll always be faithful, I know I can
I never stop caring, I'll always be true
I'll forever love you.

Never and forever
We finally know that means.

I'll never let go of your hand
I'll always be faithful, I know I can
I never stop caring, I'll always be true
I'll forever love you.

I'll forever love you...
