You look so peaceful  
sleeping. You don't  
know that I'm leaving  
but I'm gone. I did  
my best to beat 'em,  
but in my head, the  
demons said "Move on."  
When you wake up, you're  
gonna curse my name.  
But as some time goes  
by, I hope and pray.

Chorus:

When you think of me,  
remember the way that  
I used to be. Remember  
the times I held you  
tenderly. Remember the  
way that I love you.

I think about the night  
I met you. I swore I'd  
never forget you. Well,  
I won't. I think about  
the way you'll live

and breathe inside my  
dreams forever. You'll  
be better when I'm gone.  
You'll be better when  
I'm gone. 'Cause I know  
you're gonna fall in love  
again. I'm sorry this is  
how it has to end. But...

Chorus:

When you think of me,  
remember the way that  
I used to be. Remember  
the times I held you  
tenderly. Remember the  
way that I love you.

Oh, when you think of me...

(Guitar Solo)

As I pick up these bags  
and turn around, I say  
a little prayer and hope  
somehow...

(Chorus x2)
