I asked her to stay but she wouldn't listen
She left before I had the chance to say (Oh)
The words that would mend the things that were
broken
But now it's far too late, she's gone away

Every night you cry yourself to sleep
Thinking: "Why does this happen to me?
Why does every moment have to be so hard?"
Hard to believe it

It's not over tonight
Just give me one more chance to make it right
I may not make it through the night
I won't go home without you

The taste of your breath, I'll never get over
The noises that she made kept me awake (Oh)
The weight of things that remained unspoken
Built up so much it crushed us everyday

Every night you cry yourself to sleep
Thinking: "Why does this happen to me?
Why does every moment have to be so hard?"
Hard to believe that

It's not over tonight
Just give me one more chance to make it right
I may not make it through the night
I won't go home without you

It's not over tonight
Just give me one more chance to make it right
I may not make it through the night
I won't go home without you

Of all the things I felt but never really shown
Perhaps the worst is that I ever let you go
I should not ever let you go, oh oh oh

It's not over tonight

Just give me one more chance to make it right
I may not make it through the night
I won't go home without you

It's not over tonight
Just give me one more chance to make it right
I may not make it through the night
I won't go home without you
And I won't go home without you
And I won't go home without you
And I won't go home without you
